Section 1: Getting to know you

Tell us more about your self. *

My name is Anathi Zezethu Bili, a 23 year old woman. I have 4 siblings, my mother, two sisters and niece. I have a diploma in IT under Support Services and I completed my diploma at WSU. I have worked as a cashier at Edgars.

What are your main strengths? *

I am a hard working person with great interpersonal skills and hunger to learn and give back. I work good alone but great with people as I also have a way to make them listen to me. I am flexible and I adopt easily to change.

What are your main weaknesses? *

I find it difficult to say No to my boss.

What do you think are the characteristics that you poses that would make you the best candidate for the job? *

I will try my best to fullfill the needs of the company that are required from and will put all my effort in ensuring that I finish a task given to me in its time frame as I am an active individual.

List 2 (two) things that you have learned about yourself in the last year. How did you learn this information? *

Communication skills,I worked well with my colleagues as I was a cashier and if we had any conflict we were able to communicate it between us and things will be back to norma.And flexibility as I was a cashier sometimes I would have to do sales for cellphone counter or collect money from the tills and also authorise for cashiers when management is not around and still go back to being a cashier.

What annoys you about people or situation? What do you usually do about the situation *

People who do not want to share information.I normally share what I know with them and ask if theres anything that they can remove or add.

Describe the situations or circumstances that bring out the best in you, your work and your behaviour? *

When ever I get challenged,I turn to want to prove it to myself that I can do it.

Provide information of a time when you did or said something that had a positive impact on a friend, family member, teacher or anyone else? *

To fail something does not mean you are stupid, it can mean that you need more training on that more than others. Take it as a lesson and try to do better next time.

Provide information of a time when you did or said something that had a negative impact on a friend, family member, teacher or anyone else? *

You need to work harder, so she felt like I do not appreciate her.

What do you think about success? *

Success is an outcome of a task initiated.

What would you like to accomplish in the next 3, 6, 12 months? *

I would like to be the best network specialist that people would rely on. I would also like to do certificates that will help me in becoming the best in networks.

What motivates you? *

Myself and the people that are around me whether in a lower level or upper level than me. I look at myself and say tomorrow I want to be better than what I am today and also be better than the people that are around me so that I can also be motivation to them.
