Section 1: Getting to know you

Tell us more about your self. *

I am a 22 year old male from eNgcobo and the first born to my parents. I completed my matrix in 2014 and later did N4 in Human Resource Management . I am a guy who is always full of energy , kind and compassionate and I love meeting new people.

What are your main strengths? *

I am a hard worker and have a hunger for education and knowledge. I strive for the best in whatever I do and am able to do any kind of work given to me.

What are your main weaknesses? *

I talk too much which might be of annoyance to some people and I am shy when it comes to public speaking but I am training myself through my volunteering at church youth gatherings.

What do you think are the characteristics that you poses that would make you the best candidate for the job? *

I can easily blend in with new people and I enjoy meeting new people. I am respectful and have a hunger for acquiring knowledge and skills in order to better myself and those around me.

List 2 (two) things that you have learned about yourself in the last year. How did you learn this information? *

I have learned that I am an open person who values the opinions of others and also I take criticism very well and use it to better myself. All these I have discovered through my involvement in church events and youth meetings.

What annoys you about people or situation? What do you usually do about the situation *

I am a lover of the people very much that I can't help it. Whenever one starts to bring a negative atmosphere I remove myself from that environment in order to avoid conflict.

Describe the situations or circumstances that bring out the best in you, your work and your behaviour? *

Great team work and an environment that is of peace without too much arguments. A team that works well together and easily blends with a family kind of relationship.

Provide information of a time when you did or said something that had a positive impact on a friend, family member, teacher or anyone else? *

An ex colleague of mine who had more experience and time of the work that we did ,didn't know how to do computer work properly . I helped him and taught him how to do the work on the computer , later he got a promotion for his improvement in computer work.

Provide information of a time when you did or said something that had a negative impact on a friend, family member, teacher or anyone else? *

During class in 2015 a friend of mine shared a joke that I found to be offensive to me and so I reacted in anger and said some hurtful words and that took a negative impact on our relationship even after I had apologised.

What do you think about success? *

Success is what we all strive for as human beings. Its a point where one is satisfied that they have reached their goals and sometimes went even beyond. Which is where I also strive to reach in life.

What would you like to accomplish in the next 3,6,12 months? *

I want to acquire as much knowledge and information that I can get so that I may be able to better my life and those around me. Also I want to gain an income so that I can take care of myself and help out my grandmother.

What motivates you? *

My grandmother. She has been through a lot in her life and faced so many hardships but yet today she is still standing which motivates me to keep going no matter what I may face in life.
