Dear prospective student

Thank you for your application to study at Unisa. I am pleased to inform you that your application has now been processed for the qualification(s) you applied for.

The outcome of your application:
98230 CTA ADV DIP IN ACC SCIENCE: admission granted.

Your student number for studying at Unisa is 63914565. Please quote this number in all future correspondence with the University.

Further documents will be requested if you are applying for conditional exemption.

Please note that if you have been admitted to the first semester of the 2020 academic year but do not register, you will have to re-apply for admission in the next application period.

You can access the registration information on the Unisa website (www.unisa.ac.za). To assist with your registration, please (i) register as early as possible; (ii) register online at <https://registration.unisa.ac.za/info/> using your student number. The steps to be followed for the online registration process will be clearly set out on the Unisa website.

Students that are phased-out due to not having obtained the required number of credits by the time the results are released, will not be allowed to re-register for any formal qualification. These students must first comply with the readmission requirements.

Unisa looks forward to welcoming you as a student in 2020.

Yours faithfully

Deputy Registrar
