NATIONAL CERTIFICATE VOCATIONAL (NCV) NOVEMBER EXAMINATION

SUBJECT	DESCRIPTION	Mark	Code	Description
10041014	DATA COMMUNICATION & NETWORKING	58	03	Pass
10041024	COMPUTER PROGRAMMING	54	03	Pass

TO NOTE:

1. Pass Mark:

The Pass Mark for Fundamental Subjects is as follows:

English/First Additional Language	40 %
Life Orientation	40 %
Mathematics / Mathematical Literacy	30 %

The Pass Mark for All Core Subjects is 50 %

2. Promotion Criteria for NCV:

A student can only be promoted to the next level if he/she has passed five or more subjects on a particular level. However a student who has passed only five or six subjects overall together at the next level for the subject(s) he/she has passed. The repeating subject(s) must be repeated at the lower level. However in the case where a student failed two NCV core subjects then the student cannot be promoted to the next level regardless of passing five subjects.

3. Assessment:

It is compulsory for students to do ALL assessments

4. Attendance:

Class attendance is crucial. The absolute minimum attendance is 80%.

Contact the King Campus @ 043 604 0705 for any further enquiries.

I certify that this document is a true report of the results of the examination and that the student has been duly assessed and that the results are correct and that the student has been duly assessed and that the results are correct and that the student has been duly assessed and that the results are correct.
